

HANNAH'S HOUSE OF LANSING

MAY 2017

HANNAH'S BLESSINGS

Deanna Arnett, Executive Director

Hannah's House is a maternity shelter for homeless and pregnant mothers. Our mission embodies more than providers with shelter, but further seeks to lead them to sustainability in the community through Christ and education.

God's great love for the women in our shelter moves so freely

through our house, sometimes in unexpected ways.

When material goods are donated to Hannah's House, they come from a giver's heart.

What givers often don't know, is that they are also *ministering* to the women of Hannah's House through their donation.

We have a new saying at Hannah's House when donations come through our door; Ask and you shall receive. One morning I was about to leave Hannah's House for a board meeting and overheard our house manager, Abby, discussing nutrition with a mother in our program. They were discussing a healthy snack plan and were planning to make trail mix and bagging it individually to

bring on the go. As overwhelmed as this was to her, I was pleased with the initiative by both Abby and our mother as I headed out the door.

At the board meeting, I was sharing with a board member about the effect that Hannah's House donors have had on this

This truth is stated explicitly in 1 John 5:14, "If we ask anything according to his will, he hears us." Our requests must be congruent with the will of God.

particular resident. On one occasion, she needed teething rings for her baby. The next day a box of teething rings were dropped off, along with

many other beautiful donations. There are numerous accounts of this happening to her, as well as to other residents and staff. So, it wasn't a surprise when I returned to Hannah's House, after the board meeting, to find that we had just received a large box of prepackaged trail mix from MSU.

God speaks to our mothers in numerous way. May God bless all those who give to us through prayer, service and monetary blessings. Thank you!

Coming soon, we are expecting a baby girl in September. Her mother is currently a full-time student obtaining her GED.

Hannah's House currently provides Monday night Bible studies, Tuesday night nutrition classes, Wednesday parenting classes, Thursday night relationships classes and Friday budgeting classes.
