

HANNAH'S HOUSE OF LANSING

DECEMBER 2017

HIRING NEED

Deanna Arnett, Executive Director

Hannah's house is currently hiring for two positions (see job postings). We are in dire need of filling these positions.

I have worked with women in need for 20 years. It has been a blessing to be able to use my skills to assist in guiding them through crisis. I have also served as a youth leader in my church. It is here that I had the opportunity to share the word and my personal testimony to help teenagers to be guided in the right direction. But at Hannah's House, it is different. One of the greatest rewards of working at Hannah's House is the ability to serve the community and to have the freedom to offer hope and guidance through sharing the love of Jesus Christ; all at one time.

Current House Manager, Sharon Matthews states "I've

worked for Hannah's House since February 2017. It's rewarding to assist and provide guidance to our residents during their

pregnancies and with their newborns. We provide them with a Christian, loving, family environment. This is such a crucial time, as

we ensure that their basic and essential needs are met, as they prepare to be self-sufficient. Also, it's a blessing to help needy families within the community with clothing for their infants and toddlers, and to provide resources for those with dire essential needs."

Please spread the word and join us in prayer in our efforts to fill these vital positions at Hannah's House.

JOB POSTINGS

Hannah's House is ministerial in nature, not high-paying, so it would be helpful if candidates are looking to do ministry or mission work.

House Managers

We are hiring for two house manager positions. Both positions are required to work overnight in 48-hour shifts. One position will be from Mondays at 6pm to Wednesdays at 6pm and the other position is from 6pm on Wednesdays to 6pm on Fridays.

The preferred candidate will be a mature Christian woman who can act as a mentor and liaison to the women who live at Hannah's House.

Job Type: Part-time
