

HANNAH'S HOUSE OF LANSING

JULY 2017

HELPING WITH THE HARVEST: BOARD MEMBERS NEEDED

Raynika Battle, Board President

The Bible accounts for numerous times when Jesus saw and addressed the needs of those around him. He would even go out of his way for one person knowing that they would be changed forever. He was moved with compassion for them.

Matthew 9:37 tells us "the harvest is plentiful, but the laborers are few". When Jesus saw the needs of those

around him, he saw it as an opportunity. The work that the Hannah's House staff is doing is just that. They are sowing seeds into the lives of the women and their babies, and with the help of God, doing all they can to see that the harvest is great.

While so many great things are happening at Hannah's House, we yet have a great need for laborers. We are currently looking for people to join our board of directors who

are passionate about what we do, are pro-life, Christian, and are willing to commit to helping us meet the needs of the house.

Verse 38 then tells us to pray that the Lord would send more laborers. Even if

you are unable to commit at this time, please join with us in prayer as we ask God to send those who are

willing to turn the needs of our women and babies into an opportunity to serve Christ.

As president of the board of directors, I wanted to personally thank everyone for all the support you have given to Hannah's House. If you have any questions at all considering joining the board, please feel free to contact me directly: raynika.battle@epworship.com.
