

HANNAH'S HOUSE MARCH NEWS 2021

Hello, Hannah's House Friends.

Welcome to our home.

The “Little Lighthouse on the corner.” Our home is a busy place, with moms and babies coming and going throughout the day. It's such a joy to hear the tiny little cries of a newborn and the sounds of a baby finding his voice for the first time as he squeaks out those sweet tiny sounds. I am so blessed to get my baby hugs in my office everyday I'm here. I enjoy the privilege of having many conversations with our women residents. I hear their painful heart speaking of where they have come from and where they have a desire to go. It is Hannah's House's job to help them get there.

Many who come through our doors have been a victim of some sort of trauma throughout their lifetime. However, through it all, God has spared the lives of these precious women.

WE ARE SO MUCH MORE THAN A SHELTER.

Several women, in our home, each year give their hearts and lives to Jesus Christ by receiving Him as their savior and Lord. In the last few months 2 of our women were baptized.

Where would they be without our loving home to come to. God only knows!

HANNAH'S HOUSE MARCH NEWS 2021

“ HER STORY”

Amy was on the phone call to Hannah's House and was in tears! She was homeless and pregnant. This was her second pregnancy, and she was determined to not abort her baby. She had miscarried her 1st child and wanted this child more than anything.

Knowing that Amy was a high-risk pregnancy we took her into our home. Our hearts went out to this young mom to be. All was going well. She fit in with the other young moms in the house. She was a joy to have around. Amy was kindhearted and loved being with us. She began to set goals for herself and wonder if she was going to have a boy or girl.

Unexpectedly it started to happen! She was scared! Several trips to ER or urgent care were made. Her dread and sorrow were confirmed. It happened. Slowly for a few days, trips back to ER were made. Finally, it was sadly over. She lost her baby. Through all the tears and hugs, we loved on her, trying to help sooth her pain. Her arms were empty, no baby! Our house managers showed her tremendous care getting through this extraordinary and heartbreaking ordeal.

Crying out to God, together we prayed. “God loves you and your baby.” Amy became a child of God that day.

“He is the God who sees.” (El Roi, Gen. 16) He saw Hagar, the Egyptian slave who was pregnant and ran away to hide. God saw her and provided. He sees each one of the moms at our home.

Amy's coming to Hannah's House was a last resort for her. God heard her lonely cries from the utter darkness she was in and led her to our “Little Lighthouse on the corner”.

Had Amy not listened to God when she made that phone call, her miscarriage could have happened on the street and she and her baby could have died. God only knows.

Thank you for your donations of all kind; prayer, wonderful items, and financial giving, we continue to exist. You are blessing Hannah's House!
